**THE PEARL MAE FOUNDATION HOSTS
HURRICANE HARVEY RELIEF EVENT IN ROCKPORT TEXAS**

*The faith-based charity partners with MCCI Medical Group and Advinity
to bring together the local community.*

Rockport, TX (September 27th, 2017)
The Pearl Mae Foundation, a 501(c)3 faith-based charity, was founded with the mission of creating a community of support by being of service to others. In line with this mission, the Foundation sincerely wishes to help support Aransas County citizens as they rebuild their homes and lives.

With donations to the Pearl Mae Foundation's Hurricane Relief Fund from MCCI Medical Group, Advinity and private donors, the Foundation provided financial support to local residents whose homes suffered significant damage from Hurricane Harvey and who are in need of financial assistance not otherwise being met.

At the event residents had the opportunity to apply for financial grants. The Foundation was financially prepared to distribute 68 grants at the event, and we received 700+ applications. We collected all applications and are now fundraising so we can continue to give grants to families struggling to get by day to day.
